## Book File Details:

*Review: Published in 1752, this book was carefully studied by our founders in crafting the Constitution. Montesquieu describes the types of laws that existed in various forms of governments and the freedoms enjoyed by each. He then examines the underlying spirit of the populous that makes each of these governments work. Finally, he discusses the conditions...*

*Description: The Spirit of Laws, first published in 1750, is a detailed treatise on the structures and theory of government by French political philosopher Baron de Montesquieu. Unlike his well-loved Persian Letters, The Spirit of Laws scandalized the French-it was even banned by the Roman Catholic Church. The fact that it is hardly dated to modern readers is a...*
